

FREE INSULATION EVALUATION

LEWIS ENERGY is now offering a FREE Insulation Evaluation to all of our existing customers to help reduce their energy costs.

- ☀ Heating & cooling account for 50 to 70% of the energy used in the average American home.
- ☀ Inadequate insulation and air leakage are the leading causes of energy waste in most homes.
- ☀ Reduce your consumption of energy and make your home more comfortable by maintaining a uniform temperature throughout the house.
- ☀ Installing additional insulation is the most effective way to reduce your energy costs within a home.
- ☀ Average return on investment is less than two years!!
- ☀ For a FREE Insulation Evaluation please call **516-349-8980 ext. 7033**, or visit our website and click on “**FREE INSULATION EVALUATION**” to request an appointment.
